HEAP Grants:

HEAP Primary Grants are based on income, family size, fuel type, and minimum delivery requirements.

**Income Guidelines are based upon State Median Income calculations, distributed by HHS on May 29, 2020, and calculation methodology as described in 45 CFR 96.85. This is for mandatory use starting from October 1, 2020. Guidelines may be restricted for FY2021 HEAP based on available funding.*

Remember, you *must* already qualify for *HEAP* to be eligible for Weatherization, Appliance Management, and Heating System Repair/Replacement. You apply at your local [Community Action Agency](#).
